LET'S FACE IT!!... There are many single people out there today. Adventures is not a dating service or match-making club. We provide culinary delights, outdoor and indoor sporting activities & cultural events where groups of single men and women can meet without any pressure. Many members have never been married, many are separated, divorced or widowed but are all "Single". The majority have successful business/work lives, good family supports and great friends but in this world of "couples" many are just plain lonely. **"Where can I go to meet other single people like myself and enjoy the singles experience?"** Many single people feel uncomfortable or awkward in bars and disappointed in dating services or on-line dating.

After joining you are invited to attend (not mandatory) the SMALL STEPS PROGRAM Every Tuesday 6:30 – 7 PM, Snacks/Refreshments, 7 – 9 PM Through handouts & lively discussion. We provide ways to improve your life one week at a time. Questions and answers on re-entering the singles scene, dating, love and romance are encouraged. Advance Registration required. Office 204-775-3484. \$10 Per Session. This is a great opportunity for meeting and mingling with many new members, renewing members and life long members. Limited to 20 members per session. **STEPPIN' UP EVENING (* LAST TUESDAY OF EACH MONTH IS RESERVED FOR NEW MEMBERS WHO HAVE JOINED IN THE PAST FEW MONTHS. Four/Five Coordinators will also attend to answer questions about various activities).**
